From Dan's Desk

As the community continues to grow, our dedicated staff is proud to play an ongoing role in enhancing the quality of life through quality programming and facilities.

The past year marked a successful one of planning and progress. Barber Park visitors will take notice of the new safe, accessible, paved parking lot. On the planning front, a Recreation Center Feasibility Study is well underway. The intent of the study is to clearly define the recreational program and facility priorities for the community. An additional goal is to open public dialog on the need to enhance recreation opportunities and seek public support for the project(s) related to an indoor and/or outdoor Mahomet Area Activity and Recreation Center (MAARC). The study is scheduled to be completed in 2013.

We're excited about the year ahead. Whether you're a young family or retired, I hope you'll take a moment to check out what's in store for this year.

On behalf of the over 2000 recreation participants and countless park patrons, we wish to express our appreciation to our 250 volunteers and 48 financial sponsors. Thank you for making Mahomet a better place to live and play!

Director, Parks & Recreation

Mission Statement

The mission of Mahomet Parks and Recreation is to improve the quality of life for all participants by meeting the needs of the community through the provisions of safe, excellent, recreational and leisure-time activities.

Fun Facts...

- MPRD serves a population of over 14,000 people in and around Mahomet
- MPRD programs serve over 2000 participants and 250 volunteers annually
- MPRD is a Department of the Village of Mahomet and not a Park District
- With the help of our Sponsors, MPRD has not raised program fees in 4 years
- MPRD employs over 100 part time staff annually
- MPRD planted 17 trees throughout the Village Parks in 2012.

Deadlines & Scheduling Notes

Remember, all registration deadlines are always on a Tuesday.

All schedules are tentative and subject to change. (Due to the shortage of field and court space, schedules are always done post deadline.)

Please visit our website for the most up to date information. League Programs - Coaches will provide pertinent practice schedules.

On the Cover

There are 471 rubber ducks plunging to the Sangamon River at our 2nd Annual Sangamon River Duck Race during the Sangamon Music Festival in August. The Duck Race is our largest Parks fundraiser of the year. For information on how you can sponsor a duck check out Page 8 or give us a call!

Photo Policy

The Mahomet Parks and Recreation Department will occasionally take photographs of people participating in recreation programs or using our facilities. These photos may be used for the department's publications, brochures, flyers or on our website. All photos become the sole property of the department.

Equal Access

All citizens are encouraged to participate in our affordable programs regardless of their skill levels, gender, race, socio-economic status or any other factor that is not conflict with our mission.

Volunteer Opportunities

Our programs depend on volunteers from the community. Without their efforts our programs could not take place. Their time & commitment to the program are greatly appreciated. We continually need volunteers. Call today to see where you can help.

Practices

In most cases, practice schedules are provided to coaches to assure field space availability. Coaches communicate practice times/dates.

Twins/Siblings

Will be placed on the same team unless otherwise requested.

Registration Deadline Policy

Because programs require ordering uniforms, supplies, time to organize, assign field/court space and hiring additional staff based on enrollment, Registration Deadlines have been established.

A "Wait List" will be established for those that have missed the registration deadline. A registration form must be filled out and submitted, **without payment**, to be placed on a wait list. When the registration is turned in, it is dated and time stamped. Players on the wait list will be used to fill team vacancies if and when they occur. Players will be taken in date order off of the wait list and a \$10.00 late fee will be assessed. There is no guarantee that a child will be accepted off the wait list. Register early to avoid disappointment.

Resident or Non-Resident Status

The Recreation Department is not supported by Village tax dollars however, the Parks do receive a very limited amount of funding from the "Village of Mahomet" tax line item on an annual basis to help develop and maintain our park and play areas. Since the families that live within our corporate limits pay a "Village of Mahomet" tax to help our parks, the Village Board decided it was only fair that those families that live out of the corporate limits or those that do not pay the tax, help with funding to maintain our Village Parks as well. The Village of Mahomet distinguishes Residency or Non-Residency by the "Village of Mahomet" tax line and has nothing to do with the school districts or the public libraries boundaries, they set their own. We hope this helps explain how the Village determines residency.

If you have any further questions, please do not hesitate to email or call us.

Scholarship Policy

Scholarships are only available for our core programs; volleyball, baseball/softball, soccer, flag football and basketball. Participants eligible for consideration for scholarship are those that are currently participating in M-S School District's reduced lunch program. **Every** registration will be verified with the School District to confirm eligibility. Because of limited amount of funding that is available for scholarships, all registrations will be processed on a first come, first serve basis. Mahomet Recreation grants two scholarships per child per MPRD calendar year, which consists of our volleyball - basketball seasons.

Cancellations

Cancellations are determined at **4:30pm** on weekdays at **7:30am** on weekends. If there is no cancellation notice, please assume all games will continue as scheduled. Should weather conditions change during a game, cancellations will be determined by the site supervisor. For the most up to date weather cancellations, visit our website or call 586-6025.

So You Have an Idea....

The Mahomet Parks & Recreation Department is always looking for motivated, energetic and personable contract instructors to teach classes which will enhance the quality of life in Mahomet. Contract instructors allow our small department the opportunity to offer a more broad range of programming to reach the needs of our growing, diverse community. An instructor must possess strong skills in teaching, be positive, organized, have good communication skills, and demonstrate a desire to develop and promote their program.

What is a contract instructor?

A contract instructor is considered an independent contractor of the Village of Mahomet and is paid a percentage of the revenues generated (based upon resident rate).

Interested individuals wishing to instruct a class should contact our office. Call 586.6025 or email us at mahometrec@mahomet-il.gov for all of the details.

Parent's Responsibility Code

Mahomet Recreation requests that the parents /guardians of children participating in the youth sports programs help us monitor the program by:

- communicating with their children and coach
- observing their children in practices and games

As a parent with a child in Mahomet Recreation youth sports program, it is reasonable to expect the following from the program:

- that your child is involved in both weekly practices and games
- that your child have the opportunity to play all positions and have equal playing time
- that a special event involves all team members and parents
- that your child enjoy a safe, satisfying and growing experience while involved in the program

Mahomet Recreation does not condone the following activities and/or events:

- overnight trips
- special practices for a small number of players
- events involving a small number of team players
- that your child be subject to physical or verbal abuse from coaches, parents, peers, etc.
- coaches requiring team members to keep secrets
- coaches wishing to have excessive involvement with your child

Please remember:

- children are involved in organized sports for their enjoyment, not yours
- children learn best by example
- children should always be encouraged to play by the rules
- children (and officials) should never be yelled at or ridiculed for making a mistake
- children should be taught that an honest effort and hard work are just as important as winning

The Mahomet Recreation youth sports program is a group-oriented program involving social and physical development. The goal of our league is to teach fundamentals, sportsmanship and a love of the game. The support and encouragement of all parents will go a long way to helping this come true.

Player's Responsibility Code

1. Play for the fun of the game!
2. Play by the rules.
3. Cooperate with your coach, teammates and opponents.
4. Work hard for yourself and your team.
5. Do not yell or argue at/with the officials.
6. Control your temper and your language.
7. Be a good sport, be a team player and treat all players like you would like to be treated. (The Golden Rule)
