

Park Use Agreement

Updated: 12/17/2024

PURPOSE:

The primary consideration of this agreement is to maximize facility usage and best serve the community while maintaining the quality of the parks and facilities. The Recreation Department will make every effort to accommodate each request.

This agreement creates a standardized approach to park and sports field allocation and fee assessment for all users. It also describes specific rules and regulations governing the use of sports fields and park spaces owned or maintained by the Village of Mahomet.

It is possible that a group or individual may not receive all the time it requests due to other groups requesting the same times and spaces. It may be necessary for non- Recreation Department groups to adjust game and practice scheduling based on facility availability.

All information requested on the application form must be filled out completely. This information is vital for staff to provide important information to the public, in making responsible decisions on field allocation, improvement projects, and also help justify future budget requests for additions.

Organizations and individuals will be required to re-apply on a seasonal/session basis.

TO RESERVE A FIELD:

1. Read and understand Park Use Agreement.
2. Complete and submit proper request form.
3. Provide proof of insurance naming the Village of Mahomet as additional insured, see page 7.
4. MPRD will review request & issue permits/invoice for approved uses

USAGE:

To be used during the League/Organization/Business/Individual practices, program dates, regular season and any tournaments that may be applicable.

PRIORITY OF USAGE:

Approved Agreements shall give the League/Organization/Business/Individual use of facilities listed in this Agreement during the time period as stated in their Agreement, in accordance with Policies and Procedures for parks and facilities of the Department. The Village of Mahomet Parks and Recreation Department has the right to schedule Department activities or events on said facilities during the Agreement dates, with timely notice given to League/Organization/Business/Individual.

Mahomet residents shall have priority for all programs and use of facilities.

In the event of facility limitations, as determined by staff, the following priority system will be utilized.

1. Mahomet Parks and Recreation Sponsored youth programs
2. Mahomet Parks and Recreation Sponsored adult programs
3. Mahomet-Seymour School District Programs (except school property)
4. Competitive youth programs
5. Competitive adult programs
6. Other individuals and groups

The first priority will always be based upon serving Mahomet residents. The remaining criteria are not in any particular order and will be used to evaluate each individual request.

- Youth serving organizations
- Mahomet Parks & Recreation programs
- Mahomet-Seymour School District programs
- Groups and organizations serving Mahomet residents
- History of cooperation and compliance with Parks & Recreation Department
