DID YOU KNOW?

Did you know that we're a fee base program? Fee base programs do not receive tax dollars. We are a department of the Village Administration, unlike Park Districts; we rely only upon participant fees and donations from the community. Park District fees are lower because they receive tax dollars to support and fund programs. However, we're proud that our fees are very competitive with area Park Districts!

Coach's Responsibility Code

Goals and Objectives:

The Mahomet Recreation Youth sports program is a group-oriented program involving social and physical development. The goal of our league is to teach sports fundamentals, sportsmanship and a love for the game. Your support and encouragement will go a long way to helping achieve that goal. As a coach, you should demonstrate the following:

1. Build sound **fundamental** sports skills and develop a love for the game.
2. **Encourage** team play.
3. Reinforce good **sportsmanship**.
4. Show **respect** for referees, other coaches and players at all times.
5. Be a resource person to your **team**, helping them to develop their athletic and human potential.
6. **Involve** all team members and parents in special events.
7. **Recognize** that all children are not the same and respect their individual differences.

Remember: Be careful where you walk ... you never know who's going to follow in your footsteps!

Safety:

The safety of children is extremely important. Here are some strategies to help you safeguard any children or youth in your supervision:

- Ensure that you are the last person to leave practice/game. Wait until all players have either left practice/game or have been picked up by a responsible adult.
- Talk to parents/legal guardians and introduce yourself. This initial contact can facilitate communication between you and parents regarding any player or team matters.
- If an emergency situation arises, report events as soon as possible to your Mahomet Recreation staff.

Parent's Responsibility Code

Mahomet Recreation requests that the parents /guardians of children participating in the youth sports programs help us monitor the program by:

- communicating with their children and coach
- observing their children in practices and games

As a parent with a child in Mahomet Recreation youth sports program, it is reasonable to expect the following from the program:

- that your child is involved in both weekly practices and games
- that your child have the opportunity to play all positions and have equal playing time
- that a special event involves all team members and parents
- that your child enjoy a safe, satisfying and growing experience while involved in the program

Mahomet Recreation does not condone the following activities and/or events:

- overnight trips
- special practices for a small number of players
- events involving a small number of team players
- that your child be subject to physical or verbal abuse from coaches, parents, peers, etc.
- coaches requiring team members to keep secrets
- coaches wishing to have excessive involvement with your child

Please remember:

- children are involved in organized sports for their enjoyment, not yours
- children learn best by example
- children should always be encouraged to play by the rules
- children (and officials) should never be yelled at or ridiculed for making a mistake
- children should be taught that an honest effort and hard work are just as important as winning

The Mahomet Recreation youth sports program is a group-oriented program involving social and physical development. The goal of our league is to teach fundamentals, sportsmanship and a love of the game. The support and encouragement of all parents will go a long way to helping this come true.

Player's Responsibility Code

MAHOMET PARKS & RECREATION DEPARTMENT

FREQUENTLY ASKED QUESTIONS AT REGISTRATION TIME

Q. Can I request a certain coach/team/buddy pairing?

A. No. To help ensure balanced teams, the only pairing requests that are honored are those of the children of 1 head coach with 1 assistant coach. Furthermore, consistent with our philosophy, we want to encourage social development (ie make some new friends). Finally, often times when such requests are made the coach/child requested may not be coaching/participating or is in a different age group.

Q. My child is young for their grade/ skipped a grade/ is small for their age, can they play down a year?

A. No. Mahomet Parks and Recreation sets up sports leagues by grades not ages, accept for some 4 year old and 5 year old leagues in certain sports. Age break downs can be confusing as to what day/month/year they have to be a certain age. Playing by grades allows kids to play with classmates that they may not be able to otherwise. Unfortunately Mahomet Parks and Recreation does not make any exception for kids to play down a grade. Kids that fill the above criteria or something similar are only allowed to participate in their current grade.

Q. Can my child play up a grade? I need them to a)because of carpooling, b) so they can play with their friends/sibling, c) because they're too good for their age group, etc.

A. No. Our goal is to position participation for success. Mahomet Parks and Recreation youth sports leagues are organized by grades and not ages accept 4 year old and 5 year old leagues. Age break down can be confusing as to what day/month/year they have to be a certain age. Playing by grades ensures a similar level of physical and mental maturity among participants and allows kids to play with their classmates. Playing by grades allows kids to play with classmates that may not be able to otherwise. When a child plays up a grade, they are participating against more experienced, bigger, and stronger kids. Although some kids may ready for this challenge of playing up a grade, once an exception is made it is hard to justify saying no to another. Not every child is ready to play up and this is unfair to the child who may not be able to keep up with the older player's. It is also unfair to the older players because they are not allowed to play down a grade and the child playing up could slow down drills.

Q. How do you know if you're a resident or non-resident of the Village?

A. The Recreation Department is not supported by Village tax dollars, however the Parks do receive a very limited amount of funding from the "Village of Mahomet" tax line item on an annual basis to help develop and maintain our park and play areas. Since the families that live within our corporate limits pay a "Village of Mahomet" tax to help our parks, the Village Board decided it was only fair that those families that live out of the corporate limits or those that do not pay the tax, help with funding to maintain our Village Parks as well.

The Village of Mahomet distinguishes Residency or Non-Residency by the "Village of Mahomet" tax line and has nothing to do with the school districts or the public libraries boundaries, they set their own. We hope this helps to explain how the Village determines residency.
