Parent's Responsibility Code

Mahomet Recreation requests that the parents /guardians of children participating in the youth sports programs help us monitor the program by:

- communicating with their children and coach
- observing their children in practices and games

As a parent with a child in Mahomet Recreation youth sports program, it is reasonable to expect the following from the program:

- that your child is involved in both weekly practices and games
- that your child have the opportunity to play all positions and have equal playing time
- that a special event involves all team members and parents
- that your child enjoy a safe, satisfying and growing experience while involved in the program

Mahomet Recreation does not condone the following activities and/or events:

- overnight trips
- special practices for a small number of players
- events involving a small number of team players
- that your child be subject to physical or verbal abuse from coaches, parents, peers, etc.
- coaches requiring team members to keep secrets
- coaches wishing to have excessive involvement with your child

Please remember:

- children are involved in organized sports for their enjoyment, not yours
- children learn best by example
- children should always be encouraged to play by the rules
- children (and officials) should never be yelled at or ridiculed for making a mistake
- children should be taught that an honest effort and hard work are just as important as winning

The Mahomet Recreation youth sports program is a group-oriented program involving social and physical development. The goal of our league is to teach fundamentals, sportsmanship and a love of the game. The support and encouragement of all parents will go a long way to helping this come true.
